An Invitation

Join us in launching a practical Project that really makes a difference to the Macular Degeneration community

The Navigator Library Access Project (NLAP)

When? Thursday 27 September
2:00pm – 3:30pm

Where? Warringah Mall Library
Level 2 (Near Hoyts Cinema)
Entry off Old Pittwater Rd, BROOKVALE

The MD Foundation will also be holding a free Macular Degeneration education session for all attendees to learn about MD, symptoms, risk factors, treatment options, management and the importance of nutrition and lifestyle.

The Warringah Library Service will also be discussing its new low vision services.

The Navigator is low-tech, hand held portable technology that reads aloud books, magazines and daily newspapers chosen by the user and lent by the library.

The Project is an initiative of the MD Foundation in partnership with NSW libraries, the Profield Foundation, the Vincent Fairfax Family Foundation and AudioRead. The Project will accommodate over 300 participants across libraries in NSW by the end of 2007.
